MANAGEMENT OF THE PERIOD 2014 - 2019

Mathematics Alumni Association

**MATHEMATICS DEPARTMENT
FACULTY OF MATH AND SCIENCE
UNIVERSITAS NEGERI PADANG
2019**

Preface

By saying "bismillahirrahmanirrahim". Praise be to Allah SWT. who has bestowed his grace and guidance on all of us. Shalawat and greetings we praise the Prophet Rasulullah Prophet Muhammad SAW. which has taken us from the realm of ignorance to the realm full of science and technology as we feel today.

We are members of the Mathematics Alumni Association Universitas Negeri Padang (I AM UNP) reported a number of activities that have been carried out during the 2014 - 2019 period. In general, the activities carried out cannot be separated from the support of the UNP alumni association (ILUNI UNP). These activities consist of academic and non-academic activities. As is well known, alumni are an inseparable part of their alma mater. The alumni's contribution to their alma mater is the alumni's dedication to support the improvement of the quality, facilities and infrastructure of education in the Department of Mathematics, UNP. Academic activities are useful for improving the quality of education, such as involvement in strategic planning, curriculum, vision and mission as well as a number of trainings for students and young alumni. Meanwhile, non-academic activities are aimed at improving the quality of educational facilities and infrastructure, including: assistance with books, journals and others.

PART I. INTRODUCTION

I AM UNP is an alumni association of the Mathematics Department, Faculty of Mathematics and Natural Sciences Universitas Negeri Padang. I AM UNP aims to be a means of communicating and sharing information among alumni, alumni with their younger students, and alumni with the alma mater relating to various math problems and teaching mathematics in schools.

The PSPM alumni have worked in various agencies, both domestic and foreign, but alumni networks continue to communicate and interact with each other through social media. Based on the alumni membership in social media, the number of alumni who are members of I AM UNP currently is 411 people. Communication media that are often used are social media such as Facebook (<https://web.facebook.com/groups/592885284177388/?ref=share&rdc=1&rdr>), WhatApps, and others.

I AM UNP is an inseparable part of its alma mater, so I AM UNP always actively contributes to the development of PSPM. The alumni contribution aims to support the improvement of quality, educational facilities and infrastructure in the Mathematics Department of UNP by providing donations of funds, facilities, and being involved in academic and non-academic activities. Activities to improve the quality of education include alumni involved in the preparation of strategic plans, PSPM's vision and mission, and the curriculum as well as providing training / material in academic activities. Meanwhile, alumni activities in improving PSPM's infrastructure include providing assistance in the form of books, journals, and others.
